Syracuse, NY □ Prevention Network announced the appointment of a new member to its board of directors. Emilee Lawson Hatch will serve a three-year term under the leadership of Board President, Denise McNitt.

Ms. Lawson Hatch is an associate with Green-Seifter Attorneys, PLLC in Syracuse. She concentrates her practice in the areas of trusts and estates, employee benefits, probate litigation, elder law, and tax planning and advocacy. She is a resident of Syracuse.

A photograph of Ms. Lawson Hatch is attached.

Prevention Network has been making CNY a healthier community since 1949 by providing proven and measureable program to prevent addictions and address other problem behaviors.
