

# ENGAGING IN POLICY

Presented By:  
Kelli Keck

Kelli Keck is the Vice President of Epiphany Community Services in Ohio, where she has worked in the nonprofit and public sectors for over 15 years. She received a BA from Duke University and attended the University of Colorado for her Master's in Public Administration with a concentration in nonprofit management. Kelli has experience in the fields of education, health policy, and public health. Additionally, she has managed both local and state level coalitions. Join us in welcoming Kelli, as she shares her knowledge in policy engagement.
